2. The very first objective of public education is that I am a full partner with you in the education of my children, and I expect to be treated as such. (Tex. Educ. Code §4.001(b)). This fact is restated again in §26.001(a), which also provides that I am to be encouraged by you to actively participate in creating and implementing the educational programs for my children. (Tex. Educ. Code §26.001(a)). Your Campus Improvement Plan is even required to provide for a program to encourage parental involvement at my child's campus. Tex. Educ. Code §11.253(d)(9).

Review of Student and Education Records:

- a. Your funding is contingent on my right to inspect and review the education records of my child (Family Educational Rights and Privacy Act (hereafter “FERPA”), 20 U.S.C. § 1232g(1)) and all written records of this School District concerning my child, including but not limited to attendance records, test scores, grades, disciplinary records, counseling records, psychological records, applications for admission, health and immunization information, teacher and counselor evaluations, reports of behavioral patterns, teaching materials, textbooks, teaching aids, and every test taken by my child after it is administered and scored. Tex. Educ. Code § 26.004, § 26.006.

I ____ **(do/do not)** give you my consent to release records of my child if they are requested under the Freedom of Information Act. 20 U.S.C. §1232g.

(8) income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Protection of Pupil Rights Amendment (“PPRA”); 20 U.S.C. §1232h; Tex. Educ. Code §26.009.

This includes my allowance/prohibition for my child to be given or administered any psychological examination, test or treatment by any school employee, agent or affiliate, unless proof is provided to me in writing, before any such psychological examination, test or treatment is given, that said examination, test or treatment is required under Section 38.004 or by state or federal law regarding requirements for special education. Tex. Educ. Code §26.009.

This includes, but is not limited to:

- (1) Psychiatric or psychological examination or test means a method of obtaining information, including a group activity, that is not directly related to academic instruction and that is designed to elicit information about attitudes, habits, traits, opinions, beliefs or feelings; and
- (2) Psychiatric or psychological treatment means an activity involving the planned, systematic use of methods or techniques that are not directly related to academic instruction and that is designed to affect behavioral, emotional, or attitudinal characteristics of an individual or group.

Developmental Guidance/Counseling Programs:

- c. I _____ **(do/do not)** give my written consent for my child to participate in, be enrolled in, be solicited for, or be subjected to, in any form or fashion, any comprehensive and/or developmental guidance or counseling program (Tex. Educ. Code §33.004), or integration of such guidance into other curriculum. If I have given my consent, the counselor must be certified (§33.002), you must annually conduct a preview of the program for me including all materials and curriculum (§33.004(b)), any materials and curriculum not included in the preview may not be used (§33.004(b)). The counselor must work and consult with me as the parent for not only the planning and

implementation of the developmental guidance and counseling program but also to promote the education and success of my child (§33.005 and §33.006).

If I did NOT give my consent above, then I also completely prohibit the following:

- (1) Structured Reaction Questionnaires;
- (2) Self-Evaluation/Self-Assessment Exercises, Surveys, Questionnaires;
- (3) Needs Assessment Instruments/Exercises;
- (4) Self-Exploration Programs, Exercises, Projects, Assignments;
- (5) Requests or Invitations for Self-Referral to Individual or Group Counseling Services

Outside Counseling & Treatment:

d. I _____ **(do/do not)** give my written consent for any referral of my child to any outside counselor for care or treatment of a chemical dependency or an emotional or psychological condition. If I have given my consent, you must have satisfied all the following or my consent is revoked and invalid:

- (1) I have first been contacted orally and/or in writing and I have given my written, affirmative consent at that time;
- (2) You disclose to me any relationship you have with the particular counselor;
- (3) You inform me of any alternative public or private source of care or treatment reasonably available in my area;
- (4) You have obtained the approval of appropriate school district personnel before the referral or suggestion of referral; and
- (5) You prohibit the release or disclosure of my child 's records that would violate state or federal law.

Tex. Educ. Code §38.010.

School-Community Guidance Center:

e. If the School District has established a school-community guidance center, I recognize that the placement of my child into such a center must be preceded with, and is conditioned upon, written notification from the administrator of the school-community guidance center that satisfies all the requirements of Tex. Educ. Code § 37.054. I recognize and assert my right to inspect all instructional or guidance materials to be used in any such guidance center. I also recognize and assert my right to inspect the results of any treatment, testing or guidance method involving my child if I have so consented to said treatment or testing. You may not perform any psychological testing or treatment on my child without first obtaining my written, affirmative consent. If I refuse to so consent to either testing or treatment of my child, absolutely no further psychological treatment or testing may occur. Tex. Educ. Code § 37.054(c).

Disciplinary Actions/Corporal Punishment:

- f. I hereby ____ **(do/do not)** consent to reasonable corporal punishment if it is the policy of this Educational Institute or School District to allow me as the parent, guardian or managing conservator of my child to allow or forbid the use of corporal punishment (including, but not limited to "spanking" or "paddling").

Subject to my consent or non-consent above, I understand that you have the authority to use force, but not deadly force, against my child because you are entrusted with the care and supervision of my child (during the school day or at school events) for the special purpose of educating my child, and that you have this authority "when and to the degree [you] reasonably believe the force is necessary to further [my child's education] or to maintain discipline in a group." Texas Penal Code §9.62.

However, I also recognize that my child has the right to be free of state-occasioned damage to his/her bodily integrity! *Doe v. Taylor ISD*, 15 F.3d 443 (5th Cir. 1994). I also recognize, and place you on notice, that the infliction of corporal punishment (spanking) is a deprivation of substantive due process when it is arbitrary, capricious, or wholly unrelated to the legitimate state goal of maintaining an atmosphere conducive to learning. *Woodard v. Los Fresnos ISD*, 732 F.2d 1243, 1246 (5th Cir. 1984).

Because the infliction of any punishment (not just corporal) may transgress constitutionally protected liberty interests (*Woodard*, at 1245), the Texas Legislature has

- (1) Given me the authority to sue for damages under common law tort remedies (*Barr v. Bernhard*, 562 S.W.2d 844 (Tex. 1978)); and
- (2) Outlawed excessive punishment of children 14 years of age or younger with the criminal code (Texas Penal Code §22.04 (injury to a child is a Felony)).

Corporal punishment, and any punishment for that matter, must be reasonable and moderate, not administered maliciously, in bad faith, in the heat of the moment, or for the purpose of retaliation or revenge. See, *Fee v. Herndon*, 900 F.2d 804, 806 [5th Cir.], cert. denied, 498 U.S. 908, 111 S.Ct. 279 [1990]; *Burton v. Kirby*, 775 S.W.2d 834, 836 (Tex. App. - Austin 1989, no writ).

A professional employee's (superintendent, principal, teacher, supervisor, social worker, counselor, nurse, teacher's aide, student in an education preparation program participating in a field experience or internship, school bus driver) qualified immunity is waived and he/she is personally liable to me and my child if he/she uses excessive force in the discipline of my child or negligence resulting in bodily injury to my child. Tex. Educ. Code §22.0511(a).

Safe Schools / Freedom From Violence:

- g. You have the duty, and the authority, to remove disruptive and violent students from the classroom and school, in order to maintain a safe environment for my child, an environment that is conducive to learning and education. Tex. Educ. Code §§ 37.006,

37.007. “The primary duty of school officials and teachers ... is the education and training of young people. ... Without first establishing discipline and maintaining order, teachers cannot begin to educate their students. ... [T]he school has the obligation to protect pupils from mistreatment by other children...”. *New Jersey v. T.L.O.*, 469 U.S. 325, 350 (1985) (Powell, J., joined by O’Connor, J., concurring).

You are required by law to adopt and enforce a student code of conduct that must:

- (1) specify the circumstances under which a student may be removed from a classroom, campus, disciplinary alternative education program, or vehicle owned or operated by the district;
- (2) Specify conditions that authorize or require a principal or other appropriate administrator to transfer a student to a disciplinary alternative education program; and
- (3) Outline conditions under which a student may be suspended as provided by §37.005 or expelled as provided by §37.007.

Tex. Educ. Code §37.001(a).

Therefore, if my child is attacked, assaulted, or otherwise harmed by another student, I want and expect that student to be removed from my child’s classroom and/or campus.

My child’s teacher has the authority to remove a disruptive, dangerous or violent child from the classroom, and then it becomes the school principal’s responsibility to place the removed student into another appropriate classroom, into in-school suspension, or into a disciplinary alternative education program. Texas Educ. Code §37.002.

My child’s teacher also has the duty and authority to remove from my child’s classroom, to be placed in a disciplinary alternative education program or for expulsion, any child that engages in conduct under Tex. Educ. Code § 37.006, including, but not limited to:

- Any felony,
- Assault causing bodily injury (Penal Code §22.01(a)(1)),
- Terroristic threat (Penal Code §22.07),
- Public lewdness (Penal Code §21.07) or indecent exposure (Penal Code §21.08);

My child’s teacher also has the duty and authority to remove from my child’s classroom and have expelled, any child that engages in conduct including, but not limited to:

- Unlawfully carrying a weapon (Penal Code §46.02) or prohibited weapons violation (Penal Code §46.05),
- Aggravated assault (Penal Code §22.02), sexual assault (Penal Code §22.011), aggravated sexual assault (Penal Code §22.021), indecency with a child (Penal Code §21.11) ,
- Selling, giving, delivering or possession of or using a controlled substance, a dangerous drug, or alcoholic beverage. Tex. Educ. Code §37.006 and §37.007.

The Justice Foundation is a non-profit, 501(c)(3) organization.

Specifically, "bodily injury assault" is defined as an activity or act that occurs when a [student] intentionally, knowingly, or recklessly causes bodily injury to another. Texas Penal Code §22.01(a)(1).

In addition, "terroristic threat" is committed when a [student] threatens to commit any offense involving violence to any person or property with intent to place any person in fear of imminent serious bodily injury. Texas Penal Code §22.07(a)(2).

Further, the removed child may not re-enter my child's classroom or school campus until you have scheduled a conference among the principal (or other appropriate administrator), a parent or guardian of the student, the teacher that removed the student, and the student himself/herself. Tex. Educ. Code §37.009(a).

Finally, the board of trustees of this district has the mandatory obligation to deliver a copy of the order placing a student in an alternative education program or expelling a student to the authorized officer of the juvenile court in the county in which the student resides. Tex. Educ. Code §37.010(a).

This matter is of grave concern to me as my child is under your care and control during the school day. I therefore must rely on you to protect and secure my child's wellbeing and bodily integrity while he/she is under your care.

Classroom Transfer:

h. I hereby request a transfer of my child _____ from the ____ grade class taught by _____ (teacher’s name) to the following class: _____ . (Tex. Educ. Code §26.003(a)(2)). This request to the school principal of this Educational Institution is made prior to my petitioning the board of trustees of the School District. Should you, the school principal, not grant this transfer, I may exercise my right to petition the board of trustees, in writing, for the transfer and demand a hearing (Tex. Educ. Code §§25.033-25.034), and will point out the fact that this request was first presented to you, the school principal, and was denied.

Class Attendance for Credit Above Child’s Grade Level:

i. I hereby request that my child _____ who is in the ____ grade be permitted to attend the following class: _____, for credit above the child’s grade level, whether in the child’s school or another school, unless the School Board or its designated representative reasonably expects that the child cannot perform satisfactorily in the class. Tex. Educ. Code §26.003(a)(3)(B).

Addition of Academic Class:

j. I hereby request, with the expectation that this request will not be unreasonably denied, that the following academic class(es):

be added in the course of study of my child in keeping with the required curriculum, if sufficient interest is shown in the addition of the class to make it economically practical to offer the class. Tex. Educ. Code §26.003(a)(3)(A).

Removal of Child for Observing Religious Holy Days:

- k. Prior written notice is not required for my child to be excused for the purpose of observing a religious holy day. My child shall not be penalized for any such absence(s) and shall be counted as if my child attended school (Tex. Educ. Code §25.087(b)). My child shall also be allowed a reasonable time to make up school work missed on such day(s), and if my child satisfactorily complete(s) the school work, the day(s) of absence(s) shall be counted as a day(s) of compulsory attendance. Tex. Educ. Code §25.087(d).

Notice of Truancy and Attendance/Truancy Officer:

- l. If my child has been, in a six-month period, absent without an excuse three (3) times for any part of the school day, you are required to give me mandatory written notice of that fact (Tex. Educ. Code §25.095). Said written notice shall specifically state that if my child is absent without an excuse for ten (10) or more days or parts of days in a six-month period, I as the parent, and my child, are subject to prosecution for a Class C misdemeanor. Tex. Educ. Code §25.093.

Further, the School Attendance Officer/Truancy Officer, in performing his/her duties, may not enter my home or any part of my home without my affirmative permission, except to serve lawful process on me the parent/guardian/managing conservator (or other person standing in parental relation) to my child. The School Attendance Officer who is not a peace officer as described in Tex. Code Crim. Proc. Art. 2.12 also may not forcibly take corporal, physical custody of my child without first receiving affirmative permission from me or other person standing in parental relation to my child (Texas Educ. Code §25.091(b)). A school attendance officer who is a peace officer as described in Tex. Code Crim. Proc. Art. 2.12 and has probable cause to believe the child is in violation of the Tex. Educ. Code 25.085 compulsory attendance law may take physical custody of my child only for the purpose of escorting my child to campus to ensure the child’s compulsory attendance. Tex. Educ. Code §25.091(b-1).

Removal of Child From Classroom or Activity:

- m. I hereby exercise my right to remove my child temporarily from any and every class or other school activity that presents, covers or discusses the following topics or activities because they conflict with my religious and/or moral beliefs. Tex. Educ. Code §26.010.

Tex. Fam. Code §151.003(a)(1). I request that my child be placed instead in an academic program in accordance with his intellectual abilities. I request that the classroom materials on these subjects be provided to me and I will then determine how they will be covered with my child: (circle all that apply):

Duty to Care for and Control Child’s Medical Care:

- o. As the Parent/Guardian/Managing Conservator of the above-mentioned child I have the right and duty to care, control and protect my child; and provide for their medical and dental care and psychiatric, psychological and surgical treatment. Tex. Fam. Code §151.001(a)(6). Therefore, before any physician, nurse, or other health care provider is provided by you to my child (as an employee, agent, contractor or affiliate) or is allowed to care for or treat my child, other than reasonably necessary emergency care, they must disclose to me, as the person authorized to consent for my child, the risks and hazards involved in the care or procedure, and must receive my written, signed consent to the medical care, or a court order, including therapy and guidance counseling, before any such care or procedures are administered. Tex Fam. Code §151.001(d)(1).

I have the right to access my child's medical records maintained by the district. On request, you shall provide a copy of my child's medical records to me, and you may not impose a charge for that production that exceeds the charge authorized by §552.261 (providing a copy of public information) of the Texas Government Code. Tex. Educ. Code §38.0095.

Delegation of Authority to Consent to Medical Treatment:

- p. You _____ (**do/do not**) have the authority to consent, as provided and governed by §32.001 of the Tex. Fam. Code, to medical, dental, psychological and surgical treatment of my child if I cannot be contacted, other than reasonably necessary emergency care. (Tex. Fam. Code § 32.001).
